Senior anglers must have fished four tournaments by the end of the 25-26 season to be eligible to participate in the Classic. Please carefully check the lists above for your name. If you believe you have been left off by mistake, send an email to ahsbafishing@gmail.com. Include angler name and the dates of each tournament fished so we can verify our records. All junior anglers are eligible to participate in the Classic. There is no Classic fee for either league.
