47	54
48	53
49	52
50	51

Points Structure:

1st Place receives 100 points. Each place thereafter decreases by 1 point. Weight is added to place points for total tournament points. For example:

$$1\text{st place} / 9.2\text{lb bag} = 100 + 9.2 = 109.2$$

$$4\text{th place} / 7.5\text{lb bag} = 97 + 7.5 = 104.5$$

Anglers with zero weight will receive place points for one place below the lightest bag.

Big Fish earns a 2-point bonus toward the overall points total. The bonus points do not impact placement in tournaments.
